THE VILLAS AT THE RIVER

Did You know...?

Best Way Disposal, our trash haulers, provides for Christmas tree pickup and removal?

However, nothing comes for FREE, there is an assessed charge of \$15.00 per tree removed. The Villas have absorbed this cost in the past. Next year these charges will be passed along to the Co-Owner utilizing this service.

A word to the wise - *Don't be surprised in Winter '2017 if you get a bill from the HOA.*
